“Salutations to that revered Guru, who opened the eyes of one who was blind with the darkness of ignorance, with the collyrium-stick of knowledge. Ignorance is the darkness that makes one blind, knowledge is the special medicine (añjana), and the Guru is the one who applies it to open our eyes to truth.”

-To Amma Sri Karunamayi, Akhanda Tattva-Svarupini -
who walks among us in divine compassion to awaken, uplift, and illumine —we bow with boundless love and reverence.
